

**YOUR HOME INVENTORY ACTION PLAN**    **Date:** \_\_\_\_\_

*Do you love the look of a clean, organized home? Wanting it and having it comes down to working step-by-step through cluttered areas of your home. Follow my "CALM Approach" in Simplify Your Space: Create Order & Reduce Stress" book Chapter 1. Fill out this Sheet each week and watch the clutter disappear!*

**1) What Room or Floor are you doing this week?** \_\_\_\_\_

**2) Chart the Steps that will free you of clutter and bring the most visible and emotional relief!**

| Project | Day & Time | Which Room? | What Specifically? | Why is this worth doing? | What Was the Result? How long did it take? |
|---------|------------|-------------|--------------------|--------------------------|--|
| 1       |            |             |                    |                          |  |
| 2       |            |             |                    |                          |  |
| 3       |            |             |                    |                          |  |
| 4       |            |             |                    |                          |  |
| 5       |            |             |                    |                          |  |
| 6       |            |             |                    |                          |  |
| 7       |            |             |                    |                          |  |
| BONUS   |            |             |                    |                          |  |

***Now you can confidently welcome anyone into your home and enjoy it so you can relax!***
